

Flat Stanley Guidelines

Part 1-Poster Board

You will help your first grader create a poster board (not a tri-board) displaying the photos and other items from Stanley's trip. Please make sure the board has only one side. If you have several items, choose the ones you want to display. The items that don't fit on the poster board can be shared during the oral presentation.

Guidelines:

Standard poster board size (about 28''x22'') (10 points)

Original flat first grader (10 points)

At least two photos of Flat Stanley with a landmark.(20 points)

Descriptive labels under each item on poster board (10 points)

At least two other items of information (maps, postcards, ticket stubs, etc) (20 points)

Creativity in display (20 points)

Title: Flat _____ Goes to _____ (10 points)

Total: 100 points

Part 2- Paragraph

Flat Stanley Paragraph

In addition to the Flat Stanley poster board, your child will write 1 paragraph about his/her adventure! The paragraph should be at least 4 sentences. It must be the final draft (spelling & punctuation must be correct) and written in neat cursive penmanship.

This is worth 50 points.

*Note: The paragraph does NOT go on the poster board (Thanks, Mrs. Major)
